Session Chair(s): Dr. H R Chennamma

JSS Science and Technology University, Mysuru

E-Mail: hrenchamma@jssstuniv.in

Contact No. : 91- 9480057455

Theme of Session:

The special session focuses on content-based protection of Multimedia. This implies that content may be comprised of multiple forms of media such as audio, imagery, video, text and graphics in an assorted variety of digital formats. Computer and network security alone cannot appropriately manage the issue of piracy. Multimedia security is very much important for the secured data communications.

Topics of Interest:

We invite original (un-published) research contributions based on the above mentioned theme including following topics **but not limited to**:

- Digital watermarking for multimedia security
- Computer Vision Approaches for Multimedia Forensics
- Pattern Recognition Techniques for Computer Forensics
- Cloud Security
- Cyber Security

Paper Submission Process:

Please submit your paper (in word/pdf format) at email: hrenchamma@jssstuniv.in with “**Multimedia Security**” mentioned in the subject line.

Program Committee: Name(s), Affiliation(s)
